**TRAINING OF TRAINERS AHERO REPORT 2023**

## **Introduction**

After introducing TOT to the Nakuru team, Bishop John Mugo with consultation of Ishmael proceeded to training in Ahero town where recruitment and preparations for TOT interested members under Kingdom Destiny Ministries had been completed. Kingdom Destiny Ministries is a ministry headed by Bishop John Mugo, one of TOT Pioneer students.

The Ahero TOT training was facilitated in a three days organized seminar at Kingdom Destiny Ministries, Ahero – Kisumu County. The total number of the students in this training were fifteen in number.

In the training, Bishop John Mugo used the training manuals which were provided by VMK office. Ishmael and John discussed the methodology to be used in introducing TOT to the identified members. From the communication we got from John, these are team members in his church administration and they had shown commitment in training others.

*Group team photo of the students.*

Ishmael and John selectively chose the topics to be introduced to this team in this first training.

Topics selected included:

- **Applied Bible exposition**
- **Financial Self- Sustainability**
- **Time management**

Our main aim even as we roll out TOT is to ensure that leaders are equipped to impact their regions of ministry effectively. The astonishing ministry growth in parts of our country Kenya creates a need for Biblical training to equip pastors and leaders in these regions.

One important reason for church leadership training is that it allows church leaders to learn leadership techniques in a traditional format.

This training will be done over here till the course book / manual is exhausted. This church therefore would work as a center for this area training.

***Financial implications***

- *We are trying to make this training as cheap as possible for easier accessibility by the members in our local churches.*
