

18TH, June, 2025

INTRODUCTION

This report highlights major activities that have taken place in some of partner churches and their future plans with the TOT implementations. Only five partners' churches have been featured in this report. Others will be featured in other reports that will precede this.

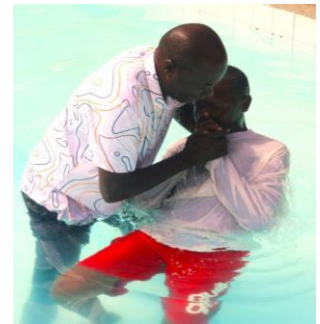

1. HOPE BIBLE CHAPEL - NAIROBI.

This is a key partner of the Vision Ministries Kenya. The vision of this church is to raise believers full of good news blessed and God fearing.

Mission highlights;

The church held an open air outreach crusade that aimed at reaching out to the Kiambiu Community with the gospel. From the outreach, 20 people were won to the kingdom. The need for discipleship is incredibly important, so the team of leaders from Hope Bible church gathered to attend the three-day crusade, teaching and training the souls won as they were being prepared for the baptism event on Sunday of 15TH, June. There were some pastors but most were young aspiring ministers without formal ministerial training.

Baptism event on 15th, June, 2025.

Pastor
Ishmael
baptizes
one of the
believers

On the morning of this day, the team of leaders led by Ishmael was able to baptize 10 believers. The team that was baptized consisted mainly of teens and youth. Each day as they were being prepared for baptism; they dutifully listened for hours as they were taught matters of discipleship and the power of the Holy Spirit.

Youth Back to school Gathering 2025

Youth & Teens gathering at Hope Bible Chapel

As the youth and teens were resuming for second term studies, the church organized for the team a special Sunday where they were able to discuss youth matters and challenges, practice their call and talents in the church to benefit the body of Christ and also present to the church areas to be helped in prayers. This was a very incredible opportunity where the youth team also added to their numbers. Three new young people were added to the group. Amazing!

Women of distinction Conference April, 2025

Women of distinction conference which was hosted by Grace Bible Chapel

Women's during their annual conference

is a major women's event that is organized by VMK Women wing under the patronage of sister Moline Ochieng' Okuku. Through the conference, women were able to minister to each other, encourage the women from various churches, practice their call and talents, older women were able to teach the younger ones, in their workshops they were able to discuss church matters and households matters. Every woman has a unique and divine purpose in God's kingdom. Women are equipped and

empowered to walk in their God-given identities through fellowship, study, prayer and service, contributing to the body of Christ. About 200 women's were hosted during this event.

Team building Seminar

Dir. Ishmael planned a team building seminar for his team of young professionals. This was helping in capacitating the team on matters of leadership.

- ✓ The team of leaders are having TOT training event in the course of next month. The team of leaders that completed TOT1 is proceeding to the next level.

2. Outreach Community Church-Nairobi region

The outreach team had two recent

Ishmael facilitates team building seminar to his young leaders

church plants. One in Western Kenya and one in Nyanza region. New churches play a crucial role in evangelism, reaching out to individuals who have not had the opportunity to experience the Christian faith. They provide a spiritual home for believers, fostering growth, discipleship, and a sense of belonging. They also bring innovation and vitality to the broader church community, introducing fresh perspectives and approaches to ministry.

3. Faith Alive Church international –Nairobi region

Faith Alive Church recently hosted a powerful leader's summit which was aiming at empowering young leaders to take the role of church leadership. Amongst the trainers was Bishop Dr. Vincent Wandera, the senior leader of Faith Alive Churches and the chairman of VMK Nairobi region.

The team as well held a successful outreach campaign in Dandora, a nearby slum where about 20 souls received Christ and were added to their congregation.

4. Door to Door Mission Work by Soul winning Church – NAMANGA

Churches often decline, not because of a lack of enthusiasm, but because of lack of strategy. The old maxim rings true “if you aim at nothing, you will hit it every time.” Therefore some churches simply maintain existence instead of striving to thrive. They believe that if they will build a program or building then people will come which mostly do not happen if they fail to go out. From a theological standpoint, the pastor, who is the leader of the church, has the responsibility to develop a vision to reach the un-

churched people in the community.

The pastor also carries the responsibility to lead his people to have a heart to reach the ends of the earth with the gospel.

Soul winning church in Amboseli organized manyatta to manyatta evangelism what we call door to door evangelism. This was very effective event. From the report we got from the residing pastor, souls were won to the kingdom.

Other ministry plans;

- ✓ Continue with TOT 3 training
- ✓ Church plant

- ✓ Women's conference

GRACE BIBLE CHAPEL- CHURCH

The Grace Bible chapel has had one evangelistic outreach which happened in February. The church is however currently planning to host Door to Door Evangelism event in the course of next month (July). From the report we get, there is growth in youth and teens department.

Current Prayer needs

- ✓ Pray for provision of God to expand the church building
- ✓ Pray for unity in the leadership
- ✓ Pray for growth and increase in all church departments
