A DECADE OF GOD'S FAITHFULNESS

INTRODUCTION

Covid – 19 situations in Kenya and the world at large stopped many ministry activities. Many ministries and organizations adopted the virtual means of carrying out activities as a new normal strategy.

In the last year's conferences, our Canadian speakers were not able to travel to Kenya. They however facilitated the conferences through pre-recorded videos while the Kenyan brethren facilitating the conference physically. This year's conferences were very unique. Nairobi and Kajiado regions had the privilege of hosting most speakers physically. It is only Brother David Ralph and Brother Chris Atkinson who were virtual in these two regions.

Conference theme

‘Try It! Put me To Test!’ Malachi 3: 10

When brother Gord shared the theme proposals for the year 2021, we settled on the above mentioned. We were really thinking of what could fit the ministry after witnessing the past 10

years of God's faithfulness in establishing this work in Kenya, and the Covid – 19 situations in the world. For us it was a time to Put God to test for the future.

(Sister Moline Ochieng' giving her footnotes speech during the conference)

In reviewing the number of leaders reached, churches planted, young leaders mentored, projects accomplished, conferences held, new ministry ventures, counties reached, evangelistic outreaches hosted, new friends and partners , we can confidently say that our God has been faithful
